

Summative Assessment Task Instruction:

The summative assessment task you require to participate as below:

1. You need to create a sample of the Unit Plan and the Lesson Plan for your potential teaching class. On completion of your Unit Plan and the Lesson Plan, you require to create the presentation in VDO screen shoot format
2. You require to develop your sample interactive lesson for your proposed teaching class and record it in the VDO presentation.

Upon completion of your assessment tasks, you require to upload them into your assessment task submission box as per the instruction given in the LMS learner manual.
